There will be 40 seasonal sites available from the attached list. Rank your preference order for campsites with "1" being your most preferred site and "40" your least desired site. Do not put a preference number next to a site which is unacceptable to you. It is your responsibility to know if your camping unit will fit on any site you rank.

I acknowledge that I have read and understand the attached seasonal and general campground regulations and will fully comply with them if I am awarded a seasonal site. Repeated violations of these regulations will result in cancellation of my agreement and I will vacate the campsite within ten (10) days of the cancellation without refund of any fees.
